

Outline of a Funeral Service In Church (no Mass)

If you are putting together a booklet, then below this is the outline of the service.

The most important things you need to add are the words to the hymns you choose and the details (and maybe picture) of the person who has passed away.

Entrance Music *(as we enter the chapel unless the coffin was received the night before)*

Welcome

Opening Hymn *(if taken from the internet, make sure it's the right words)*

Liturgy of the Word

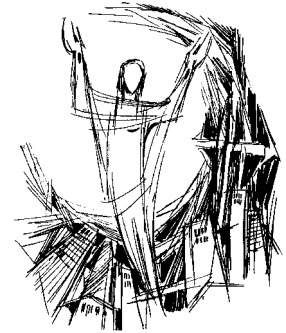

Homily

Tribute/Eulogy *(if there is going to be one – many don't have this)*

Prayers of Committal

Final Hymn

Music *(although we usually process out to the final hymn)*

If you want to someone to proof read the service then contact the priest who is leading it and he will get back to you.

*Your Loved One will be prayed for at all our parish
Masses this weekend*

You are welcome to join us
